Treasurer's Report

Tom Chamberlain presented the January financial reports. He suggested that we need to learn more about the foreclosure process and that we suspend filing liens until he and Jolie confer with our attorney. Tom Chamberlain moved to write off \$652.19 in unpaid assessments. This was seconded by Dave Olufs. Motion passed. Tom Kolk moved to approve the Treasurer's Report. Seconded by George Raczkiewicz. Motion to approve passed.

Dave Olufs reported on the status of road repairs. North Shore Paving will begin repairs in April or May.

George Racziewicz reported that the 2015 contract with the Lake County Sheriff will begin in April. He also raised an issue regarding billing submitted by the Sheriff's office. The 2014 contract officially ended on 10/31/14. However, officers continued to patrol, which resulted in an additional six weeks of duty to be paid for. George requested that in the spirit of good relations with the Sheriff's Department, we pay for the additional services. He made a motion to approve, Tom Kolk seconded. It was declined with a vote of 1 yes and 6 opposed. George then moved to pay half, which received 3 yes's and 4 opposed. Motion declined.

Jolie asked that Kathy Blackman include a reminder in the next newsletter about vehicle parking violations.

The annual community garage sale will be held June 11th to 13th and will again be coordinated by Kathy Blackman.

The next board meeting will be held on May 11th at the Township office.

Meeting adjourned.
