Quarterly Newsletter – April 2013

Welcome, Spring!!

Isn't it great to see the brown turning to green and to hear the returning birds chirping? As the weather continues to improve, there will be more walkers and bikers on our roads. We have no sidewalks, so please stay alert – obey the speed limits and be aware. Please, don't text and drive!

SAVE THE DATES:

TGIF Spring Social

AGCCA Newsletter Distribution

Our AGCCA newsletters have been sporadic but going forward, we will be producing and distributing one quarterly. The newsletter is indeed a work in progress and we'd like to ensure that it is bringing you information that is relative and meaningful. If you have any suggestions, comments or editorial, please send to Kathy Blackman (kathyblackman@comcast.net). In future issues, we will include a Bulletin Board for you to post items for sale, services available, give away, etc. Contact Kathy for inclusion in the next issue.

In line with keeping green, this is the last newsletter that will be distributed in hard copy to all residents. Future issues will be emailed to residents who have provided email addresses. Newsletters will also be posted on the AGCCA website (www.agcca.com). If you have not done so already, please send an email to Kathy Blackman to be added to the email distribution.

We recognize that not everyone has access to the internet and/or email. If you fall into this category, please give Kathy a call to be put on our "hand-delivery" method. We need to keep this to a minimum, however, as home delivery is a very time-consuming, expensive and environmentally-unfriendly process.

Property Management Company

Our AGCCA Community Manager is Carolyn Putzer, American Property Management. Carolyn is your first point of contact for any community questions or concerns. She may be reached at 847-985-6464 or carolyn@apmofil.com.
