

Heads up!!

It's almost time for our **Annual AGCCA Golf Outing and Community Pig Roast!**

Golf will begin with a shotgun start at 11 am. Please call the golf club at 847-395-3004 if you will be participating. They will keep a signup sheet. We encourage calling with foursomes.

Dinner will be served at 5pm in the tent at the Golf Club. Dave Fleming will once again be working his magic over this year's pig. Please bring a dish to share, along with your own plates and silverware. A cash bar will be available in the tent.

Music will again be provided by one of our favorites, Petey!

Police Reminder to Homeowners

Recently, our community has experienced several thefts from resident open garages and unlocked cars. Please be vigilant about keeping garage doors closed and parked cars locked.

Next AGCCA Board Meeting...

...will be held at the Township Office on Deep Lake Road on Monday, August 10th at 7 pm. All homeowners are encouraged to attend.

Parking Reminders

Parking on our roadways is prohibited between the hours of midnight and 8:00am. In addition, when you or your guests are parking on the roadways, day or night, please attempt to park all cars on one side of the street or the other to avoid narrowing the driving lanes. Emergency equipment may not be able to get through these narrow streets when cars are parked on both sides.

Storm Drains

The recent storms have created a lot of debris in the streets. Please check your storm drains occasionally for debris which may inhibit proper drainage of our streets.

Exciting News from Mark Sural, New GM at the Antioch Golf Club

New management, new staff and new mindset! We are really trying to change the culture at the Golf Club and want the neighborhood to be involved. We are looking to build strong and sustaining relationships with our neighbors in the “hood.”

Dead Tree Removal: We have started to remove dead ash trees from the course and their stumps as well. Most is just cosmetic for now but we will be taking them down throughout the fall. Course conditions are quickly improving.

Weekend Car Washes: We have partnered with a car wash company that will be doing a mobile car wash in the parking lot every Saturday and Sunday morning. Our neighbors are encouraged to use the service. Services offered are simple hand washes to full details. The company is fully insured.

Volunteers Needed: We are in need of volunteer rangers for weekends. If you are interested, contact the Pro Shop at 847/395-3004.

Stop by and Have a Bite! The Grill is now open again on Tuesdays, Thursdays and Fridays from 3pm to 8pm and Saturdays from 11am to 8pm. We have a great husband and wife team of Ed and Theresa Haley who are doing the cooking. And the reviews have been great! We would love to see our neighbors enjoy the club again.
