### **We asked for it and we got it!!**

How lucky are we to have a full-service restaurant right in our own community? How great is it not to have to drive the local highways to find a great meal? And, for a lot of us, this means enjoying a delicious lunch or dinner without the hassle of shopping, preparation and clean up!

The new management at the Antioch Golf Club is working hard to deliver events and services that our community can take advantage of. They're bringing back the All-You-Can-Eat Friday Fish Fry beginning Friday, August 22<sup>nd</sup> from 5pm til 9pm. Enjoy delicious beer battered cod fillets, cole slaw and French fries. All for only \$10.95 for adults, \$6.95 for kids age 8 and under.

In addition to the AYCE fish fry, they are planning additional dinner specials and fun events. Stay tuned for more info which will be posted on the AGCCA website ([www.agcca.com](http://www.agcca.com)).

The Grille Room is now open every day for lunch and dinner and will be expanding the menu to include many of your favorites. In addition, the Grille Room bar has a great variety of craft beers, along with drink specials and wine. Here are the current drink specials:

### **The Golf Course or...**

Four married guys go golfing. While playing the 4<sup>th</sup> hole, the following conversation took place:

1<sup>st</sup> guy: "You have no idea what I had to do to be able to come out golfing this weekend. I had to promise my wife that I will paint every room in the house next weekend."

2<sup>nd</sup> guy: "That's nothing. I had to promise my wife that I will build a new deck for the pool."

3<sup>rd</sup> guy: "Man, you both have it easy! I had to promise my wife I will remodel the kitchen for her."

They continued to play the hole when they realized that the 4<sup>th</sup> guy hadn't said anything. So they asked him, "You haven't said anything about what you had to do to be able to come golfing this weekend. What's the deal?"

4<sup>th</sup> guy: "I just set my alarm for 5:30am and when it went off, I shut off the alarm, gave the wife a nudge and said, 'golf course or intercourse?'"

And she said, "Wear your sweater."
